"Why not get married now?
I would no longer live alone,
But at the altar bow."
Her fingers lightly touched the keys.
She coughed a mellow cough;
"In the Good Old Summer Time," she sang,
And now the engagement's off.

Too Great a Risk.

In almost every neighborhood some one has died
from an attack of cholera or cholera morbus, often be-
fore medicine could be procured or a physician
summoned. A reliable remedy for these diseases
should be kept at hand. The risk is too great for
any one to take. Chamberlain's Colic, Cholera
and Diarrhea Remedy has undoubtedly saved the
lives of more people and relieved more pain and
suffering than any other medicine in use. It can
always be depended upon. For sale by J. Jas.

Baccalaureate Sermon Sunday to
Graduates of Bourbon College.

The Rev. R. E. Moss was in Paris Sunday,
and of his baccalaureate sermon The Bour-
bon News says—

At the Christian Church Sunday morning was
the beginning of the Commencement exercises
of Bourbon Female College. There was a large
congregation present to hear Elder R. E. Moss
of Maysville preach the baccalaureate sermon
to the graduating class. After the reading of
the 103 Psalm, and the sweet singing of "Nearer,
My God, to Thee," the speaker was introduced
by Elder J. S. Sweeney. Elder Moss took for
his text the 24th verse of 12th chapter of John
—"Verily, verily, I say unto you, except a grain
of wheat fall into the ground and die, it abideth
alone; but if it die, it bringeth forth much
fruit. He that loveth his life shall lose it; and
he that hateth his life in this world shall keep
it unto life eternal," and preached one of the
finest sermons it has been our pleasure to hear
for many a day. He is a thoughtful, forceful
and eloquent speaker. He is a graduate of
Kentucky University and is one of the young-
est men in our state, if not the youngest, who
has charge of a large, flourishing Church.

WHY doesn't bullhead CANTRILL enjoin the Court of Appeals?

POLITICALLY, Judge HOBSON of the Appellate Court is a Democrat. Judicially, Judge CANTRILL of the Franklin Circuit Court is a Goebelite.

THE dust of the streets is more deadly than the mud of winter. In the winter we may close our houses and shut out the wind, but no one can shut out the dust.

COVINGTON claims the distinction of being Kentucky's next largest city; and yet her citizens chase snakes around the streets at Sixth and Madison—in the very center of her population.

In an interview at Frankfort Judge JAMES HARGIS of Breathitt county denies that he ever objected to the sending of troops to Jackson or expressed the opinion that their presence was unnecessary. Of course, Judge HARGIS, if called on and it was necessary for him to do so, would deny that the moon was made of Limburger cheese.

LOUISVILLE Democratic politics is in a state of turmoil and discord. Chairman YOUNG of the State Central Committee called off the local primary. The local Committee insisted on holding it, and secured from Judge CARUTH an injunction to prevent Chairman YOUNG's interference. That official removed the Committee and named a new one before the injunction could be served. Yesterday the primary was held in spite of YOUNG's removal. Candidates opposed by the Committee have withdrawn and will go before a Convention to be called by the new Committee.

MR. BRYAN will never forgive Mr. CLEVELAND for having been twice elected to the Presidency.

HON. ALLIE YOUNG, the revived GOEBEL, has struck a knot in Judge CARUTH's injunction order in Louisville.

TALKING of wrongs without remedies, little Delaware comes to the front with an interesting incident. A gentleman of color rejoicing in the cognomen of Major FISHER was arrested and sent to Jail at Wilmington on the grave charge of chicken stealing. After lying in Jail four months he was brought to trial, and the whole thing was found to be a mistake. Thereupon Chief Justice LORE, who was presiding at the trial of the indictment, directed that FISHER be considered as a witness and be allowed the usual fees, which amounted to \$105. FISHER was satisfied and convinced there was something in legal lore, after all; and, come to think of it, the Judge wasn't so very far wrong.

"FIGHTING JOE" WHEELER, the dashing cavalry leader of the South in the war between the states, was persona non grata at the recent Confederate reunion in New Orleans because he appeared in the uniform of a General of the United States Army. Heretofore General WHEELER has divided honors with General JOHN B. GORDON at Confederate reunions, but there were no honors for him at the New Orleans gathering. The old soldiers of the "Lost Cause" resented the appearance of General WHEELER among them in a uniform of blue, and they made him keenly feel their resentment. The "kickers" have hurt themselves far more than they have hurt General WHEELER.

Political Pickings

THAT THEY CAN.

Louisville Herald.

The friends of good government in Kentucky can make 1903 the opening of an epoch of progress and prosperity such as the state has never yet enjoyed. A complete turn over in state government, insuring strength, virility, efficiency and economy in every department, can alone enable Kentuckians to profit by their splendid resources of soil, climate, location and population.

CERTAIN WILL THE HARVEST BE!

For all of those who have been fortunate enough to secure a Minnie Binder or Mower

LUCK WAS WITH YOU!

The day that you secured a Minnie. YOU CERTAINLY WERE WISE in refusing to listen to the voice of the nightingale—those silver-tongued orators employed by the Binder Trust to argue you into paying \$20 more for an inferior machine.

MOTHER WIT is the BEST GUIDE!

Exercise the good judgment that the Lord gave you. Do your own thinking. Allow no man with a smooth tongue and a heart full of untruths to talk you into an extra cost of \$20.

LIKE WATER UPON A DUCK'S BACK

You allowed their smooth, oily misrepresentations to pass from your mind.

A Few Short Weeks Will Prove How Wise You Were

They will see the Minnie Binder in your field doing nicer work with less horse power than theirs, and will no doubt think of the good judgment that you displayed in saving \$20.

THE BEAUTIFUL AND WINSOME MINNIE!

Is in Mason county upon a ten-year contract. In the next ten years we will prove to every one how expensive it is to listen to slick-tongued strangers sent here by a greedy, grasping Trust to waylay the unwary.

MINNIE IS IN THE LEAD!

Mr. Robert Wise of Forest avenue says:

"Doan's Kidney Pills are from the evidence I have a sure cure for backache. I say this, not from my own experience but also from that of several others who have received the greatest benefit from the treatment. I suffered from pains in my back, a disturbed condition of the kidney secretions and symptoms of an inflamed condition of the bladder. Procuring Doan's Kidney Pills from J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, they gave me quick and effective relief."

River
News

The Sunshine will be up tonight for Pomeroy.

There are no empties in the pool at Pittsburgh.

The Henry M. Stanley from Pomeroy will pass down tonight.

The barge Delaware in the tow of the Alice Brown has 2,500 barrels of sugar in it for Cincinnati.

The new towboat Enterprise, it is said, is not doing as good work as the old boat did by considerable.

The new boat, is twelve feet longer and four feet wider. The old Enterprise, in command of Captain Jacobs Menges, was considered about the best boat of her size that left Pittsburgh.

An important admiralty experiment of storing coal under water was begun at Portsmouth recently. All the naval stations report that shores of coal where exposed to the atmosphere deteriorate. Some twenty tons of Welsh coal have now been submerged, inclosed in wooden cases, and will be raised a year hence, when their steam-raising capacity will be tested.

The coal men at Pittsburgh are getting their coal tows in readiness for a rise. They do not intend to be caught by a quick rise, which so often happens on the local rivers. The present dry spell has already lasted several weeks, and quite a lot of rain will be necessary to make a coal stage. The ground is dry and absorb great quantities of water when rain does come, which would ordinarily serve to swell the river. Rivermen believe that a good rise will come soon and remain for several weeks.

A steamer has recently been built in England which is a marvel of ingenuity, is the first single-decked vessel of her capacity, and shows what can be done by shipbuilders when special work is required. She can carry 10,300 tons on a draft of twenty-two feet, eight inches, and will steam ten and one-half knots an hour. She has fourteen masts, twelve hatches, twenty-four derricks, twelve double-end winches, enabling her to discharge the whole of her 10,300 tons in thirty hours. Her engines are placed aft, so that she may coal while discharging.

Although more than an inch of rain has fallen at Pittsburgh during the past two days more will be needed to permit the shipment of coal to Southern ports. The rivers began rising early Sunday morning, but they have not yet reached a shipping stage. The Monongahela wharf presented a scene of activity Monday morning. Many river men expected that some of the lighter boats might get away, but they were disappointed. There is more coal in that harbor at present than for many months, and if a good rise comes a record shipment for this time of the year may be made. The gauge at Davis Island Dam registers 4.5 feet and rising, a rise of 1.4.

People Who Can't Sleep.

Many people go to bed—not to sleep, but to think—to tumble and toss—to get up, walk about until tired Nature gives way and a few fitful hours of sleep are obtained just before dawn—a sleep that does not rest—a sleep from which one wakes weary and tired, wholly unfitted to take up the daily routine of household, shop or office duties. That this condition goes on uncorrected for is almost criminal, when the well-known, time-tried and tested powers of Dr. A. W. Chase's Nerve Pills to give restful natural sleep have been so fully proven in such cases.

Mr. F. Jones of No. 107 Union street, Maysville, Ky., says:

"I was troubled with nervousness sleeplessness and dizziness. Hearing of Dr. A. W. Chase's Nerve Pills I decided to try them. I got a box at Choweth's Drugstore and as a result of their use my nerves are again steady, I sleep well and have no more of those distressing dizzy spells. I can truly recommend this medicine as an excellent nerve tonic."

MEMORIAL DAY.

LET'S HONOR THE DEAD!

Place Flowers on the Graves of Your Loved Ones.

Program For G. A. R. Exercises at Monument—Able Address at Dieterich's Park.

Saturday will be the day set apart for honoring the Nation's dead; and here in dear old Maysville it is hoped that the entire citizenship will imbibe the spirit of tenderness and affection by placing flowers on the graves of their loved ones.

Those who will kindly contribute flowers for soldiers' graves are earnestly requested to send them to G. A. R. Hall not later than 8 o'clock Saturday morning, as the graves must be decorated before noon.

Colonel John V. Dea with his assistants will decorate the soldiers' graves in the Catholic Cemetery at Washington, and graves in other places will be thoughtfully looked after.

The veterans of the Civil War have taken the lead, and cordially invite all patriotic citizens to join with them in observing the occasion.

DONATIONS ACKNOWLEDGED.

Mr. Joseph Pomerville of Stillwater, Minn., after having spent over \$2,000 with the best doctors for stomach trouble without relief, was advised by his druggist, Mr. Alex. Richard, to try a box of Chamberlain's Stomach and Liver Tablets. He did so, and is a well man today. If troubled with indigestion, bad taste in the mouth, lack of appetite or constipation give these Tablets a trial and you are certain to be more than pleased with the result. For sale at 25c per box by J. Jas. Wood & Son, Druggists.

From there they will march to the Soldiers' Monument, where the Post will observe this program—

MT. CARMEL.

W. H. Wallingford received his second first-class teachers' certificate last week. Average 91.

J. B. Lukins returned Wednesday evening from Louisville, where he has been attending Medical College.

Miss Janie Ambler of Hume, Virginia, arrived last week to spend the summer with the family of R. T. Marshall.

Our boys went to Tullahoma Saturday to play a game with the team of that place, but were defeated by a score of 27 to 10.

The entertainment given by the young people at Masonic Hall Saturday evening was largely attended. All the participants in the literary program certainly did credit to themselves and the community, only one of the number having had any previous training and only one week's practice. The welcome address was made by J. B. Lukins in his usual pleasing manner. The recitations by the young ladies, Misses Annie Markwell, Pearl Arnold and Jennie Power, were exceptionally good. "The Death-bed Scene of Benedict Arnold," by W. H. Wallingford, and "Spartacus," by Harry N. Lukins, were masterly efforts and thoroughly appreciated, as was evidenced by the applause and many compliments from the audience; and last, but not least, Percy Wightman, in the humorous selection, "Peter Sorghum in Love," so delighted the audience that he responded to the encore with another short but amusing recitation. The music rendered by Misses Mary Norwood Turner, violin, Jessie Glascock, organ, Mrs. G. W. Davis, guitar, Robert Gardiner, mandolin, was "up-to-date" and highly enjoyed.

THE OLD-FASHIONED MOTHER

She Is Still With Us and Has Come to Stay.

To the old-fashioned mother the mighty manhood of America cloths his hat—the old-fashioned mother who found time from her innumerable duties to look after her children, feeling that they were entrusted to her for a short time only; that they in turn were to become history makers, and that she was responsible for their early training. Millions of noble mothers are today teaching their children that Dr. Burckhart's Vegetable Compound cures and prevents disease and makes strong, healthy men and women. Thirty days' treatment can be had from any druggist for 25c.

MISS MAY MARKELL,

A Society Belle of London, Canada.

MISS MAY MARKELL of London, Ontario, Canada, is a beautiful girl who knows what suffering is and Wine of Cardui has brought her back to health. She is one of the social favorites of her home and her recovery to health has permitted her to enjoy the company of her many friends instead of lying on a bed of sickness and suffering. For the health she now enjoys she gives credit to Wine of Cardui. She writes:

Miss May Markell.

"I have found Wine of Cardui an excellent remedy for female trouble. I suffered for three years with terrible bearing-down pains at the menstrual period. I could hardly stand on my feet and was never real well. Wine of Cardui was the only medicine that I could depend on to do me any good, as I tried several with no success. Wine of Cardui cured me and I have now enjoyed perfect health for two years, and give you all the credit for I know you deserve it."

For a young girl Wine of Cardui is the best remedy to guide her through womanhood by starting the menstrual

flow in a healthy and natural manner. Menstruation started right is very easy to keep regular through the years of mature womanhood. Then the "change of life" need not be feared. Thus Wine of Cardui is woman's best relief from youth to old age. A million women have secured blessed relief from their sufferings by taking this treatment. It relieves menstrual troubles in an incredibly short time. In a simple case of deranged menses Wine of Cardui never fails. To relieve disordered menses is to remove the cause of other female troubles. Any physician will tell you that to remove the cause of a disease renders the cure easy, in fact seldom fails to complete the cure. If you would have the same relief which Miss Markell secured try Wine of Cardui. You can take it without an examination and without any publicity whatever. You can take it in the privacy of your home and secure just as much benefit as if a doctor had prescribed it for you. Thousands of women are feeling the vigor of returning health by taking Wine of Cardui.

KODOL Weak Hearts

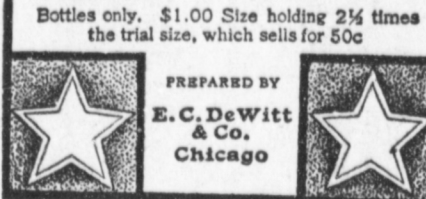

Are due to indigestion. Ninety-nine of every one hundred people who have heart trouble can remember when it was simple indigestion. It is a scientific fact that all cases of heart disease, not organic, are not only traceable to, but are the direct result of indigestion. All food taken into the stomach which fails of perfect digestion ferments and swells the stomach, puffing it up against the heart. This interferes with the action of the heart, and in the course of time that delicate but vital organ becomes diseased.

Kodol

Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y., writes: "After eating, my food would distress me by making my heart palpitate and I would become very weak. Finally I got a bottle of Kodol and it gave me immediate relief. After using a few bottles I am cured."

Kodol cures indigestion, dyspepsia and all stomach disorders, and gives the heart a full, free and untrammelled action. Bottles only \$1.00 Size holding 2 1/4 times the trial size, which sells for 50c

CLOTHING TALK!

There is something about the Hart, Schaffner & Marx Clothing by which you may identify them even more certainly than the label. It goes into them before the label. It is a style, a quality, a tailored-by-hand touch to them, a harmony of fabrics, trimmings, etc., a thoroughbred look about them never found in other clothing. The fact that we can't define it doesn't make it any less real. You can see it without fully realizing what it is. We can't show it or tell you fully about it until you wear the clothes. Then we won't need to. This incomparable line is for men and confined to us.

But we have provided as well for the boys and children. We invite inspection and comparison of both goods and prices.

OUR MERCHANT TAILORING DEPARTMENT, under the supervision of Mr. Charles F. McNamara, is the only one in the city paying Union prices and having all work done at home. Ask to see one of our made-to-measure Suits. You can get them cheaper elsewhere, but not like ours.

THIS IS THE WAY THE TALK WENT WITH ONE OF

DAN COHEN'S Customers!

"Please give me a shoe that fits. I bought this one in a clothing store. I never had a corn before in my life. Ouch, it hurts!" "How do you like this style?" "Very well; what is it worth?" "\$2.48." "That feels right; I'll take that pair, and think I will get comfort and know I have saved \$2.02 by buying them from you." For comfort and economy come and see us.
